

# HOW TO SIGN UP

# MY *Chart*

**MyChart** gives you online access to your medical record.

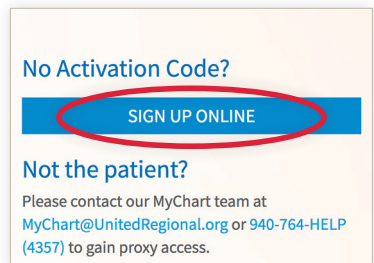

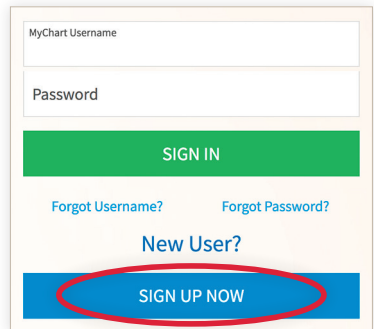

Whether you're at work, on the road, or at home, you can view test results, messages from your provider, and your key medical information.

*Sign up today—and get connected to your health.*

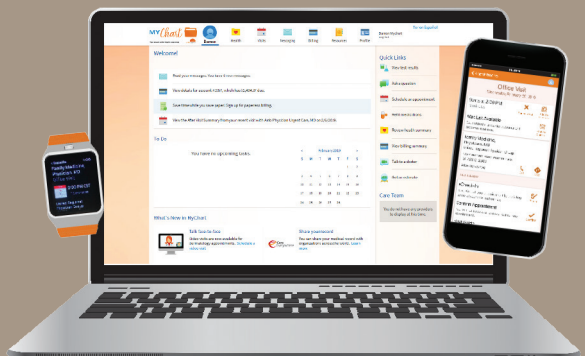

If you've never accessed MyChart, it is easy to get an account by visiting **mychart.unitedregional.org** or using the MyChart mobile app.

Those with a **MyChart Activation Code** can proceed to enter the required information and create their account.

If you need an **Activation Code**, click the blue **"Sign Up Online"** button on the right side of the computer screen and fill out the requested information. Most often, a code will be sent immediately.

**For optimal experience, use the mobile app on your smartphone or tablet.**
