

TIPS FOR YOUR VIDEO VISITS

MY Chart

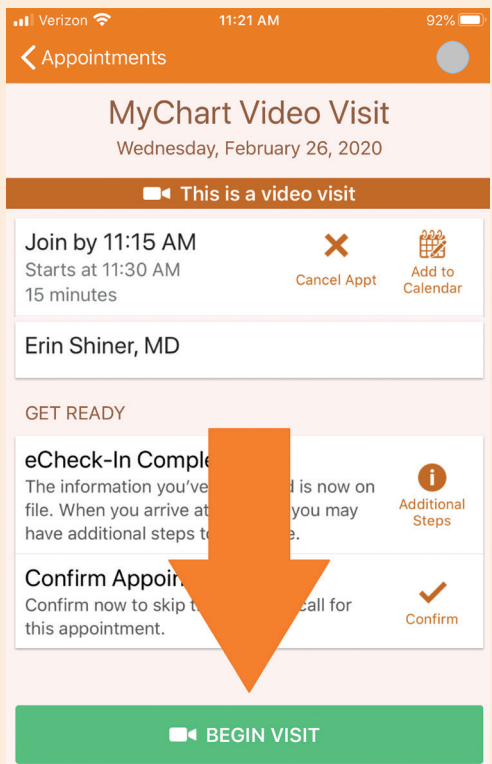

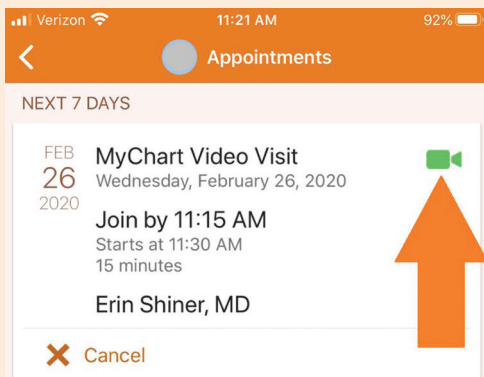

Before you begin: ensure that the app/browser has access to your camera and microphone. If you're using a computer, be sure to use the Chrome browser and allow pop-ups.

Complete eCheck-in

1. Select **Appointments** from the main screen of the MyChart app
2. Select **eCheck-In** and complete all steps to ensure your information is up to date

Join Your Video Visit

1. Select the **Camera** from the **Appointments** screen
2. Select **Begin Visit** to launch the video window
